## TITLE I—EXTENSION OF AFRICAN GROWTH AND OPPORTUNITY ACT

## SEC. 101. SHORT TITLE.

This title may be cited as the “AGOA Extension and Enhancement Act of 2015”.

## SEC. 102. FINDINGS.

Congress finds the following:

(1) Since its enactment, the African Growth and Opportunity Act has been the centerpiece of trade relations between the United States and sub-Saharan Africa and has enhanced trade, investment, job creation, and democratic institutions throughout Africa.

(2) Trade and investment, as facilitated by the African Growth and Opportunity Act, promote economic growth, development, poverty reduction, democracy, the rule of law, and stability in sub-Saharan Africa.

(3) Trade between the United States and sub-Saharan Africa has more than tripled since the enactment of the African Growth and Opportunity Act in 2000, and United States direct investment in sub-Saharan Africa has grown almost six-fold.

(4) It is in the interest of the United States to engage and compete in emerging markets in sub-Saharan African countries, to boost trade and investment between the United States and sub-Saharan African countries, and to renew and strengthen the African Growth and Opportunity Act.

(5) The long-term economic security of the United States is enhanced by strong economic and political ties with the fastest-growing economies in the world, many of which are in sub-Saharan Africa.

(6) It is a goal of the United States to further integrate sub-Saharan African countries into the global economy, stimulate economic development in Africa, and diversify sources of growth in sub-Saharan Africa.

(7) To that end, implementation of the Agreement on Trade Facilitation of the World Trade Organization would strengthen regional integration efforts in sub-Saharan Africa and contribute to economic growth in the region.

(8) The elimination of barriers to trade and investment in sub-Saharan Africa, including high tariffs, forced localization requirements, restrictions on investment, and customs barriers, will create opportunities for workers, businesses, farmers, and ranchers in the United States and sub-Saharan African countries.

(9) The elimination of such barriers will improve utilization of the African Growth and Opportunity Act and strengthen regional and global integration, accelerate economic growth in sub-Saharan Africa, and enhance the trade relationship between the United States and sub-Saharan Africa.
